Deliveries document
-V 1.4

Author: Team 4
Supervisor: Ola Petersson, Ioseff Griffith
Semester: VT 2016
Subject: 1DV508

1 Revision History

#	Date	Version	Description	Author
1	2016.04.11.	1.0	1. Created document	Maxim Kravchenko
2	2016.04.14.	1.1	1. Modified dates to start and end date 2. Added references to requirements in the analysis document	Maxim Kravchenko
3	2016.04.25.	1.2	1. Made document in LaTeX	Lamberg-Liszkay János
4	2016.04.27.	1.3	1. "Requirements fulfilled" was changed to "Requirements adressed" 2. Separated delivery tables for compulsory, and non-compulsory functionality	Lamberg-Liszkay János
5	2016.05.09.	1.4	1. "Requirements addressed" changed to "Requirements" 2. Spread out Requirements throughout last three weeks 3. Added a non-requirement deliveries table 4. Added a short rationale for leaving out some of the requirements 5. For the last three weeks the deliveries are treated as a work plan	Maxim Kravchenko

2 Required deliveries table

Start	End	Deliveries	Requirements
04.13.	04.20.	Database, Admin products page	1, 2, 3, 4, 14, 15, 23
04.20.	04.27.	Admin Orders page, Admin Users page	16, 17, 21
04.27.	05.04.	HTML and CSS templates, Index Page, Test document	22
05.04.	05.11.	Products, Test document, Shopping Basket, Personal info page	5, 7, 8
05.11.	05.18.	Product view page, Shopping Basket, Personal info page	6
05.18.	05.25.	Shopping Basket, Personal info page	9-13

3 Non-required deliveries table

Start	End	Deliveries
05.04.	05.11.	Contacts page, Return Policy page
05.11.	05.18	About page, New Arrivals page

4 Short note

Requirements 18, 19, and 20 are non-functional requirements and are difficult to pin down - they are present throughout every week of delivery. Therefore they are left out of the scope of the delivery document.
